BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

1) A statement showing the allocation of the existing menials in Flag A the revised scales recently sanctioned is submitted for kind approval.

The main features of the allocation are:-

(1) All the menials get promotions ranging from Re.1 to Rs. 5 each.

(2) The recommendations are with strict regard to seniority.

(3) Only literate men have been drawn upon for the places under Mutchies and attenders.

(4) The existing two supernumeraries under Harikars have been retained as such and one of these is to retire from 1st July.

(5) The claims of the men transferred to the establishment of Pradhana Siromani Mr.T.Ananda Rao, C.I.E.have also been considered for permanent promotions as the men continue to be borne on our present establishment.

(6) In merging the existing class of bicycle orderlies among dalayets, it has not been found possible to give the three senior cycle orderlies now in receipt of Rs.12/- any increase of emoluments other than the bicycle allowance of Rs.2 each. In view of the long service these three men have rendered and as an incentive to further good work, it seems necessary to make the allowances personal in their cases as a special case. Proposals will be submitted separately on this point.

(7) The work of sweepers and mashalchis is being now done by the acting men of this office . But as they could not be provided with permanent places before their seniors, the places in the classes of mashalchis and sweepers have been left unfilled.

(8) Such of the men as cannot be provided with permanent places on the regular staff have been shown as supernumerary peons. There are 96 such men (18 permanent & 78 acting men) and they are accounted for as shown below:-

1. As against 11 vacancies among mashalchis & sweepers	11
2. On account of the reduction of 29 hands	29
3. Acting against temporary vacancies	56
(To continue only as long as the temporary vacancies continue)	

Flag B Scheme for framing menials will be submitted separately

2) The Pvi Asst Secy Mr N. Madhava Rao the Registrar are requested to form a Committee for carefully Scrutinising the proposals with reference to the Sanction of Govt. & also the eligibility & seniority of the men and for favouring me with a draft order in a complete form as early as possible.

3) The Committees recommendations are based on the following considerations:-

1. The permanent pay of the officers and their service (irrespective of their present acting - salaries) have been taken into account in determining the order of the seniority for appointments and promotions under the new scale.

2. Of the two supernumararies under Harikars one has been retired and the other absorbed by suitable adjustments so as to make the proposals financially acceptable.

3. The men now in the class of bicycle orderlies have been given their proper places as Duffedars and Balayets, with due regard to their service on their present permanent pay.

4. The places under Mashalchis and sweepers have also been filled up for baraward purppses, all the men being shown on the pay of the --
